

To be presented to Grade 8 & WOTP students week of Feb. 11, 2019

The goal of this project is to reduce incidences of domestic violence.

Students will be supported with precycle & postcycle presentations.

This project is presented as an interactive labyrinth, in different locations of the school.

This interactive activity aims to :

- educate students on awareness of the warning signs to dating violence and the cycle of domestic violence

For any questions or concerns, please contact **Kassia Pang** or **Heidi Pallett** at CVR: 450-829-2381.
