

LEARN Virtual Summer School 2022

NFSB Options

LEARN Virtual Summer School, in partnership with New Frontiers School Board, is available to secondary students for the courses listed below. To be eligible, students must:

- have already taken the course.
- have at least a 50% mark or with approval of School Board.

***For “Bridge Courses” students must have the prerequisite grades/credits for school board approval.**

WHERE: All classes are offered online using Zoom. Students must have daily access to a computer and reliable internet and will be provided with a quick start guide.

Evaluation: Summer school teachers will provide instruction and evaluation for the courses listed below. **For courses with a MEQ Uniform Examination, students will register for exams in their school boards.**

HOW to Register: Online registration: learnquebec.ca/summerschool. Once a student has registered and paid, LEARN will communicate with the student’s school board to verify registration.

NFSB will contribute \$100 toward the cost of summer school for students retaking a mandatory course that was failed during the school year. This price adjustment will be made during the registration process.

IMPORTANT!! New Frontiers School Board students: Additional options not visible on the website linked above will be available to you as soon as you fill in your school board on the registration form.
