

Student NFSB Email

Please use Google Chrome as the web browser.

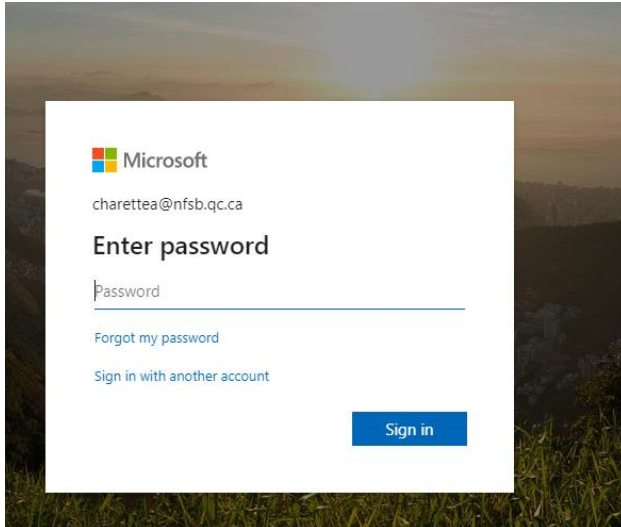

- 1) Search for Office 365.

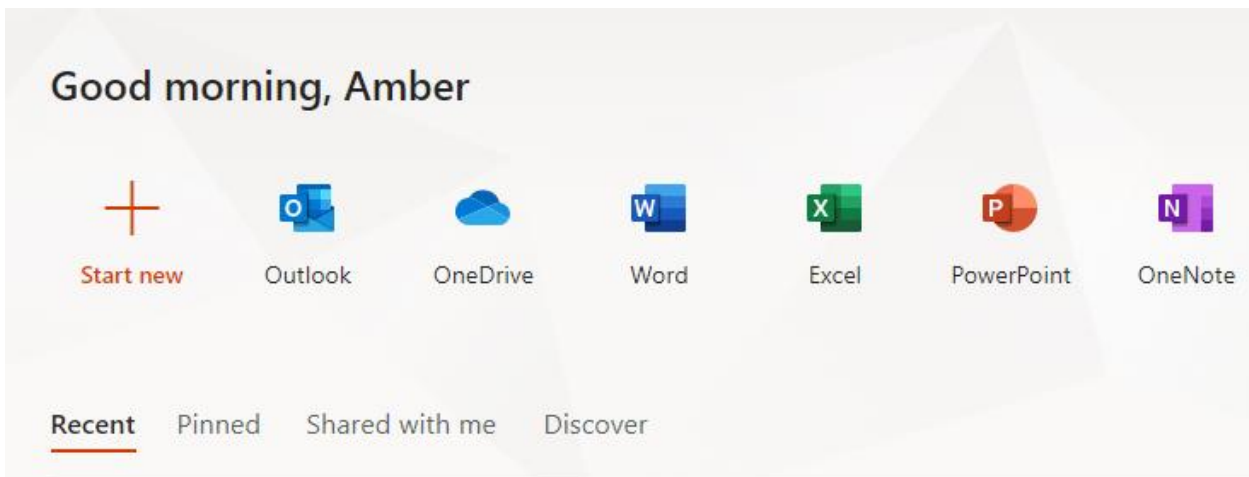

- 2) If you have used Office 365 before it will say “Hello”. If you have not used it before, select “Switch to a different account”.
- 3) Type in your NFSB email address.

4) Enter your Password and click “Sign in”.

Once your password is entered, you should see the following:

You can now select Outlook to see your emails or Word to produce a text. These apps are all available to you.

If you have tried your password too many times, it may need to be reset. If this is the case, please send a request to your school.
