October 2019

Dear Parents/Guardians of Grade 6 Students,

Once again, CVR will be offering the Universal program to its community for the **2020-2021** school year.

One of the specific features of the Universal class is the instruction of "*Français langue d'enseignement*" (French, first language), as well as histoire, géographie and éthique taught in French. Courses are taught at a quicker pace, topics are covered in more depth and, in some cases, additional curriculum is introduced.

Other requirements of the program include mandatory volunteer work, extra-curricular involvement, as well as a number of educational field trips. This is a unique opportunity to challenge a group of serious and motivated students! Citizenship and academic performance are key to the overall success of our students. An average of 75% and successful completion of each core subject every term are required in order to continue in the Universal program.

An outside firm will be testing students to be eligible for this program. This testing process will take place at CVR on **Thursday, November 14, starting at 9:00 a.m. sharp. Please arrive at CVR by 8:45 am.** All interested candidates are asked to complete the attached Registration Form to be sent to the attention of Ms. Kathy Greenhalgh at CVR (450-829-2381, Ext. #225), to confirm their attendance. The cost for the testing is **\$50, payable in cash on the day of the exam.**

Looking forward to seeing you on November 14.

Yours truly,

Eveline Taylor
Vice Principal
